#### *The fine print*

Vested membership is gained after five years of continued canonical residence in any of the three dioceses, and may be continued if one moves to another diocese. Members who establish canonical residence in another diocese before five years do not continue as members.

**Beneficiary.** If your beneficiary is not a spouse, you will be contacted about obtaining Board of Managers' approval. The Board meets several times a year.

**Governance.** *The Corporation* is governed by a nine member Board of Managers (three clergy from each member diocese) elected at the Annual spring dinner Meeting. Paid staff includes an Executive Secretary, Treasurer-Secretary, Administrative Assistant, and Chaplain, who maintains regular pastoral contact with beneficiaries.
